申請須知：Points to Notes:

- (a) 車輛製造商必需提供真實無誤的資料。推薦的車輛維修技工必須是車輛製造商直接聘用的員工，並確實完成所有要附加電動車維修服務範圍的培訓計劃或課程。

The information provided by the vehicle manufacturer must be factual. All recommended vehicle maintenance mechanics should be directly employed by the vehicle manufacturer and have completed all training programs / courses required for registration of the corresponding EV service scope

- (b) 如推薦的技工獲得批准後需作任何更改，該車輛製造商必須盡快通知車輛維修註冊組並重新遞交申請。

After the recommended vehicle maintenance mechanic list is approved, the vehicle manufacturers shall notify the Vehicle Maintenance Registration Unit any subsequent change and submit the new application as soon as possible.

- (c) 請勿自行更改本申請表的格式或內容，惟車輛製造商可以附件形式詳列有關資料。如申請表格內的空位不敷應用，請另紙書寫。

Do not change the format of this application form. However, the vehicle manufacturers are welcome to add relevant information in the form of attachment. Use separate sheet if space in this application form is not enough.
